CLASSIC COCKTAILS

HEMINGWAY DAIQUIRI

White Rum, Grapefruit, Maraschino, Lime .

18

Invented at the La Floridita bar in Cuba for Ernest Hemingway himself. Bitter grapefruit and maraschino transform the original daiquiri into an entirely new cocktail!

PAINKILLER

Aged Rum, Pineapple Juice, Orange Juice, Coconut Cream.

21

Created in the British Virgin Islands, this young classic was born in 1970, at the Soggy Dollar Bar. Wonderfully refreshing with a generous glug of rum, it makes a delightful tiki cocktail!

CORPSE REVIVER NO. 2

Gin, Triple Sec, Lillet Blanc, Lemon, Absinthe.

20

An original hang over cure (hence the name!) first listed in the Savoy Cocktail Handbook in 1930. A zesty little number, with a gentle touch of absinthe that adds a subtle aroma and flavour to the drink.

CHARLIE CHAPLIN

Sloe Gin, Apricot, Lime.

20

A premier drink in the 1920s, the Charlie Chaplin cocktail is named after the legend himself! Equal parts of sloe gin, apricot liqueur and lime, create a tangy and delicious mix.

TORREADOR

Tequila, Apricot, Lime.

20

A sublime twist of the Charlie Chaplin above, this cocktail swaps in tequila as the star of the show! It first appeared in a cocktail book in 1937 – 16 years before the first written reference to the margarita.

SIDE CAR

Cognac, Triple Sec, Lemon.

22

A battle between London and Paris rages, as to where this drink was first invented. The French credit the invention to an American army captain in Paris during World War I and say it is named after the motorcycle sidecar that the captain used.

OLD CUBAN

Aged Rum, Mint, Lime, Sparkling Wine.

18

Created in the big apple, at The Pegu Club. This cocktail is closely related to a mojito, though some say – with more elegance and sophistication.

BLOOD & SAND

Bourbon, Sweet Vermouth, Cherry, Orange.

20

Named after a 1922 bullfighter movie, this smooth and rich cocktail is very easy drinking and also makes a perfect night cap.

SOUTHSIDE

Gin, Lime, Mint.

18

Legend has it the Southside cocktail was a preferred beverage of Al Capone, whose gang dominated Chicago's South Side. The gin smuggled in by Capone and his lads had a rather rough finish, which required some sweetness to make it palatable – Thus the Southside was born!

NEW YORK SOUR

Bourbon, Lemon, Bitters, Egg White, Red Wine.

20

A neat little twist on the renowned Whisky Sour, the New York Sour calls for an addition of smooth red wine floated on top. If you like yourself a sour, I recommend you give this one a try!

VIEUX CARRÉ

Rye Whiskey, Cognac, Sweet Vermouth, Benedictine, Bitters.

23

The Vieux Carré is a complex & fascinating cocktail. Created in the 1930s, it has become a signature cocktail of New Orleans & was named after the city's French Quarter.
